Date: Tuesday 26th July Distington Community Centre

Time: 10:00- 11:00

Board members present: Danielle Hodgson, Christine Pattinson, Karen Hodgson

Apologies received: Patrick Kelly, Paul Tharagonnet

Minutes from Meeting

It was decided due to having had a meeting early July that there were no substantive updates to give so the time was used to process grant applications.

1. Evergreens requested £300 for two trips a summer trip and a Christmas trip to take members to Hundith Hill the cost of both coach journeys were £300 the group awarded the full amount to Evergreens. KS has processed this and upon the group's request will be paid to DCYP account for CP to distribute acting as agent due to Evergreens not having a bank account set up.
2. There was a second application from Evergreen's but as this mirrored the first application KS would write to PN to ask her to revise the application and this would be considered in the next quarter.
3. Together We had sent further information to KS upon her request which set out what help was achieved through the village in the past and what the future plans are, it was agreed as there was not much money in the community pot and only £1000 left for this quarter, it was agreed by the group that £1,000 would be awarded. KS has sent an email to Together We with this offer and asking them to complete a full application and send an invoice.

4. KS has written to the school several times in relation to their funding request and spoke with the office on the phone, no application has been received or no contact made to KS so the funds are on hold until that time.
5. In other business MS has sent a letter of resignation from the group. KS has emailed MS to thank her for her time on the group. We wish Mary all the best.
6. Next meeting in Tuesday 23rd August 10am at the Community Centre.
